Jesus Christ was born of the virgin Mary, lived a sinless life, died vicariously on the cross atoning for the sin of men; He arose bodily from the grave, ascended to the right hand of the Father, and will personally return to judge all men and establish his eternal kingdom;

Man was created in God's image but through disobedience fell into a state of moral and spiritual corruption;

Salvation is by grace; it is the gift of God and not received by any virtue or works of man but rather received by personal faith in Jesus Christ;

A Christian man is enabled to live a good life through the indwelling of the Holy Spirit;

Human destiny for a Christian is the resurrection to life with Christ forever; for the non-Christian it is a resurrection to eternal judgment. de7—7599
